Earlier this week I passed the Microsoft "Programming in C#" exam. I've been studying for it over the last few months, and have been compiling the blog post

<http://www.jameswiseman.com/blog/2013/09/12/studying-for-c-70-483/>

Today I passed the MS 70-483 exam. In my opinion it is now the right time to let you know how I prepared myself for that particular certification.
